RENEWED PETITION under C.F.R. § 1.55(c)

In response to the Decision dated September 13, 2006, Applicant hereby renews the Petition to the Patent Office submitted on March 23, 2006 to allow the present application to claim the benefit of priority under 35 U.S.C. § 365(a) of International Patent Application Serial No. PCT/DK03/00473 filed on July 4, 2003. The entire delay between the date the claim was due under 37 C.F.R. § 365(a)(1) and the present petition was unintentional.

Applicant further submits that:

1. The nonprovisional application claiming the benefit of an earlier filing date, Serial No. 10/725 695, was filed on December 1, 2003, which is on or after November 29, 2000;
2. The present petition claims the benefit of an earlier filing date from International Patent Application Serial No. PCT/DK03/00473 filed on July 4, 2003, which is before that of the application for which priority is claimed, and Applicant provides the relevant filing information in the accompanying Application Data Sheet per 37 C.F.R. 1.76(b)(6); and

3. Applicant believes that the surcharge as set forth in 37 C.F.R. 1.17(t) has already been charged to Deposit Account 03-3325 as authorized in the Petition submitted on March 23, 2006, and no other fee is due. Should Applicant be in error, Applicant hereby authorizes the Office to charge any necessary fee or surcharge with respect to the presently renewed Petition to the deposit account of the undersigned firm of attorneys, Deposit Account 03-3225.

Date: 3 OCTOBER 2006

Respectfully submitted,

Joseph M. Homa

Publication Information:
☐ Request Early Publication (Fee required at time of Request 37 CFR 1.219)

☐ Request Not to Publish. I hereby request that the attached application not be published under 35 U.S.C. 122(b) and certify that the invention disclosed in the attached application has not been and will not be the subject of an application filed in another country, or under a multilateral agreement, that requires publication at eighteen months after filing.
Representative Information:

Representative information should be provided for all practitioners having a power of attorney in the application. Providing this information in the Application Data Sheet does not constitute a power of attorney in the application (see 37 CFR 1.32). Enter either Customer Number or complete the Representative Name section below. If both sections are completed the Customer Number will be used for the Representative Information during processing.

This collection of information is required by 37 CFR 1.76. The information is required to obtain or retain a benefit by the public which is to file (and by the USPTO to process) an application. Confidentiality is governed by 35 U.S.C. 122 and 37 CFR 1.14. This collection is estimated to take 23 minutes to complete, including gathering, preparing, and submitting the completed application data sheet form to the USPTO. Time will vary depending upon the individual case. Any comments on the amount of time you require to complete this form and/or suggestions for reducing this burden, should be sent to the Chief Information Officer, U.S. Patent and Trademark Office, U.S. Department of Commerce, P.O. Box 1450, Alexandria, VA 22313-1450. DO NOT SEND FEES OR COMPLETED FORMS TO THIS ADDRESS. **SEND TO: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.**
